Dear Principal,

In view of the countrywide lockdown announced by the Government of India on 22:03:2020, all affiliated institutes of the National Council for Hotel Management, NOIDA across the country had to suspend all academic activity. Due to unprecedented conditions, the All India Academic Calendar for 2019-20, which was to culminate in April/ May 2020 through conduct of End Term Examinations, has been disrupted.

As per practice and as scheduled in the NCHM Academic Calendar 2019-20, six weeks of Summer Vacations are prescribed. In view of prevailing conditions, it has been decided to provide for break from 15<sup>th</sup> April till 27<sup>th</sup> May 2020.

The National Council for Hotel Management is also compelled to postpone the scheduled End Term Examinations for April/ May 2020 due to the nationwide lockdown. Resultantly, fresh dates for examinations would be informed subsequently to institutes based on prevailing conditions in the country. Institutes may await for further instructions in this regard.

These issues with the approval of Secretary (Tourism), Government of India & Chairman of the NCHMCT, Ministry of Tourism.

Thanking you,

Yours faithfully,
